Coverage Period: 07/01/2024 – 06/30/2025 Coverage for: Family | Plan Type: Open Access

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.d9trusts.org. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary</u> or call 1-888-739-6442 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$250/individual or \$750/family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Some <u>preventive care</u> and outpatient surgery services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See your <u>plan</u> document at www.d9trusts.org for additional information about <u>preventive services</u> .
Are there other deductibles for specific services?	Yes. Dental: \$25 per individual, except for <u>preventive</u> services. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For Network Providers: \$250 individual / \$750 family; for Out-of-Network Providers: \$1,000 individual / \$3,000 family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Charges for bariatric surgery, specialty injectables, copayments, premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they do not count toward the out-of-pocket limit.
Will you pay less if you use a <u>Network Provider</u> ?	Yes. See www.meritain.com or call 1-800-476-9971 for a list of Network Providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>Network Provider</u> . You will pay the most if you use an <u>Out-of-Network Provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>Network Provider</u> may use an <u>Out-of-Network Provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
